Subject: Illinois River Watershed Management Plan - U of AR, 2009
Attachments: IRWP_September2009[EPApres].pptx

Just FYI, in light of the upcoming TMDL training.

May or may not be useful. This is NOT the AR WBP, but a plan written up for a basis, contracted with Univ of AR (Haggard) by IRWP. A 2009 treasure, which maybe should have been buried.
Not sure how much, or even if, ANRCC used this in developing their WBP.
